Brokers' circular reports the sales of the week at 34,360 hairs, of which 4,370 are on speculation, and 5 670 for export. The actual export of the week is 7,127 bales. The market is dull, Col. Dahlgren, with a picked command, went and at 11 lower for American, and 1@14. lower

7 224 bales. By the President of the Confederate States of

and Major Cook, with one hundred men, went in one direction, and Capt Mitchell, with the remainder in another, to find the main body.

When the account, of which the foregoing is an abstract, was written, the death of Dahigton was unknown. It was afterwards received through the Richmond papers. On the S.h., the President becoming satisfied of the fact, communicated it to his father, Admiral Dahigton. America. President becoming satisfied of the fact, communicated it to his father, Admiral Dahlgren, who left for Fortress Mource, "to take such steps in the matter as may be desimed proper under the circumstances."

COMMENTS OF THE TIMES.

The New York Times commenting on "How Col Dahlgren was killed," says:

"The cowardly assessing admit—and boast of it, indeed—that had they not acted thus, Dahlgren would have cut his way through their columns, as he had done through all before him out of the midnight, with no other warning than that the assessing gives, and the young here feel. The wretches dared not meet his grant and observed as a day of humilistic, fasting and the workers of the scanner with which converted to the people of the midnight, with no other warning than that the assessing gives, and the young here feel. The wretches dared not meet his grant and observed as a day of humilistic, fasting and they proved the comments and their leaders with which converted to an alarming than that the assessing gives, and the young here feel. Another dispatch says Sherman went to New Orleans and returned to Vicksburg on the 5th, and on the th large numbers of re-cultated men went up the river on furlough. From driven to twenty heat leads of troops went down the river up to the 9th or 10th, and on the

A late dispatch from Ean Francisco to the Northern press says :

The steamer Golden City took \$773,000 in resoure for New York, instead of the sum first reported. Twenty soldiers went as guards, designing to return from Panama by the return steamer. In addition to her regular armament an extra 100-pounder parrott gun is mounted on her forward decir, so that, considering her speed the Alabama would find it a difficult job to capture her. No armed passenger was allowed to sail hence on her.

The English Braker's Circular of the 27th ult., gives the following report of the Liv-

ernool cotton market : bearts, to how ourselves before the itrone of the Most High and, while grainfully reknewholding so many mercies, confess that our state as a people, have plastly apposed us to His chastissment. Let us recognize the sufferings which we have been called upon to cadure as atheninkiered by a fatherly bank for our improvement, and with resolute courses and polient endurance let us wait on Him for our deliverance. In inthecance of these objects, now, therefore, 1. JEFFERGOS DAVIS, Frontism of the Confederate States of America, do leste this, my preclamation, calling upon the people of the and States, in conformity with the desire expressed by their representatives, to set apart Frinzar, the sixthesy of April, as a day of bundlifetion, fasting and prayer, and I do hereby invite them on that day to repair to their several places of public worship and beaved Aimfalty for "in precide over our public counsels and so implies our armies and lead.
